

Trail Closure & Traffic Detour

To protect public safety, King County and the City of Mercer Island have devised an alternative traffic pattern. The detour will be in effect for the duration of King County's pipe replacement project, expected to last through April. Details of the traffic control pattern include:

CLOSED TO TRAFFIC

West exit of Community Center at Mercer View parking lot

All vehicles must enter and exit the parking lot through the east exit near 84th Avenue Southeast.

84th Avenue Southeast

All non-essential vehicle and bicycle traffic prohibited. Only residents of 84th Avenue SE, Mercer Island School District buses and emergency vehicles are permitted to use the road during construction.

Paved trail between 84th Avenue SE and Luther Burbank Park

All pedestrian and bicycle traffic prohibited

Luther Burbank Park Overflow Parking Lot

The overflow parking lot in Luther Burbank Park directly east of SE 26th Street will be used to store heavy equipment, machinery and materials throughout the project. All vehicle, bicycle and pedestrian traffic prohibited.

SINGLE LANE

North Mercer Way – between Mercer Park Lane and SE 26th Street

SE 24th Street – between 81st Avenue SE and 84th Avenue SE

84th Avenue SE - north of SE 24th Street entering Luther Burbank Park
